

Dear XYZ,

This year [The Bridge for Youth](#) is celebrating *fifty years of giving hope to homeless and runaway youth*. In celebration of this milestone, I invite you to join me for [2020 Virtual Bridge Bash on July 16<sup>th</sup> @ 7:00 – 7:50pm](#).

Every night in Minnesota, there are 6,000 homeless youth, not by choice and with limited options. The Bridge is committed to providing runaway and homeless youth ages 10-21 with safe shelter, assistance in the prevention and resolution of family conflicts, and family reunification whenever possible.

Participate in [2020 Virtual Bridge Bash](#) from the comfort of home or join me and together we will be inspired by a glimpse into The Bridge from the perspective of current and past program participants, as well as performances from local artists [Dessa](#), [Niles Phillips](#) and Jamela Pettiford. We have a goal of raising **\$60,000** during the event, and with your support, this is possible!

Here is your chance to gain insight and be inspired by the past, present and future of The Bridge, and make a difference in the life of a homeless youth. [RSVP](#) today!

Sincerely,

XYZ
